

Dear Hiring Manager,

I am writing to apply for the Software Developer role at KUKA Hungary. With 2-3 years of experience in software development and my full-stack software development skills using C#, and MSSQL, I am confident that I am the ideal candidate for this position.

My experience working in teams and taking part in effort estimation and sprint planning, as well as my participation in SCRUM and DevOps teams, has prepared me for the fast-paced and collaborative environment at KUKA Hungary. My experience developing applications to support businesses and productions will prove valuable in my contribution to KUKA Hungary.

I am knowledgeable in object-oriented programming languages and have excellent communication skills in English. Furthermore, my knowledge of C#, MVC, MSSQL, AzureDevOps, SCRUM, and GIT will be an advantage in this role.

In my previous role at Turanbank OJSC, I was responsible for developing new software modules for Core Banking Systems and working with Legacy code. I have experience creating views, functions, and stored procedures, as well as writing optimized SQL queries. My skills in database triggers and the tuning, upgrading, and testing of newly created application programs will be an asset to your team.

I hold a Bachelor of Science in Information and Communication Technologies from Azerbaijan State Oil and Industry University and a Master of Science in Information and Communication Technologies from Budapest University of Technology and Economics. My proficiency in Azerbaijani, English, and Turkish, as well as my experience with various programming languages, developer tools, and software platforms, demonstrates my technical expertise.

Please find attached my LinkedIn profile for further information about my experience and skills. I am excited about the opportunity to bring my skills and experience to KUKA Hungary and contribute to the success of your business.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely,

Ismayil Ismayilzada
