Dear Hiring Manager,

I am writing to express my interest in the Backend .NET Engineer position with the Sportsbook Area at Betsson. I am an experienced Backend .NET Engineer and am excited about the opportunity to work on high-performance systems and collaborate with agile developers on a world-class sportsbook platform.

As a Backend .NET Engineer, I have expertise in .NET/C#, .NET Core, WebAPI, SQL databases, and unit testing frameworks. I also have experience with agile development and collaboration and knowledge sharing with teams. I am confident that my skills and experiences make me a strong fit for this opportunity.

I am excited about the opportunity to work with the latest tech stack and create the best performance, functionality, and user experience in the industry. I am also eager to pitch in ideas and be involved in all aspects of software development, from design to writing code and managing data models.

In addition to a competitive salary, I am also attracted to the benefits offered at Betsson, including gym subsidies, health insurance, life and accident insurance, a Pluralsight account and training budget, and a team-building budget for team activities. I am also impressed by the company's commitment to being a responsible operator and its membership in organizations such as EGBA, ESSA, and G4.

Thank you for considering my application. I am excited about the opportunity to join your team and contribute to the success of the Sportsbook Area.

Sincerely,

Ismayilzada Ismayil
